PAL+

Financial Assistance for Spay/Neuter

The Prevent A Litter Plus (PAL+) program assists individuals who cannot afford to spay, neuter, vaccinate or microchip their pets. PAL+ provides spay/neuter for a \$20-\$25 co-pay to approved low-income applicants or those on government assistance. Vaccines are 50% off; microchips are \$15. This program is funded by monetary donations and grants, so assistance is dependent upon available funding.

Can't afford co-pay? CALL US: (970) 817-5952

Kibble Supply

Food Bank for Low-Income Pet Owners

Pet owners experiencing financial hardship and having difficulty affording dog or cat food can pick up a monthly supplement of free food. Food is handed out on a first come, first served basis on two regularly scheduled distribution days each month from Unit 8. This program is made possible through donations, so assistance is dependent upon the availability of donated food.

Donations of food are accepted *anytime*.

Community Cat Program

We are passionate about curbing the reproduction of stray and feral cats in Larimer and Weld counties through trap-neuter-return (TNR). Please contact our Community Cat Manager for info or assistance: (970) 658-5181

WAYS TO HELP

Volunteer!

We function primarily through the work of our caring volunteers. Many opportunities are available at the shelter, clinic and events. You must be at least 14 years old to volunteer.

The first step is to attend a 1-hour volunteer orientation, but space is limited and reservations are required. Contact our volunteer coordinator today to sign up!

To learn more, e-mail Volunteer Manager at Volunteer@fccrsnc.org

Foster!

Our rescue is always looking for kind-hearted volunteers interested in providing temporary foster care in their homes for unwanted and homeless cats and kittens.

Foster homes are extremely important, as they provide loving homes for over 70% of the kitties that we rescue! Open your heart and your home.

To learn more, e-mail Foster Coordinator at Foster@fccrsnc.org
